Thank you for your interest in volunteering at International Bird Rescue (Bird Rescue), a 501(c)3 nonprofit organization dedicated to saving aquatic birds. We rely on our volunteers to help us give the best care possible to our patients, and invest significant time in their training, so dependability and long-term commitment are extremely important. We do everything possible to make our volunteers' experiences worthwhile and rewarding.

Please note: Due to insurance liability, we cannot accept volunteers under the age of 18. If you are pregnant, on long-term antibiotic or steroid therapy, or have an immunosuppressive disorder, you may volunteer in the office only, as the clinic environment may cause complications to your health.
